

## 'Experience The Cultural Wonders of Bali'

'Experience The Cultural Wonders of Bali' was the theme of our cultural show on 16 September 2017 at the Performing Arts Centre in Ellenbrook Secondary College. Aveley Primary School was very lucky to work collaboratively with Eling Nusantara Foundation from Bali and Ms Rose Ngatikao of Indonesian Dance Studio Perth in presenting this awesome event.

Our students Nikola Crnkovich and Kaitlyn Radaich were the presenters who did an outstanding job for the night. The ushers were Kate Paterson and Ava Spencer who also did a brilliant job. The show was very well received by the local community and we had a sell out audience. We were also fortunate to have the Honourable Consul General of the Republic of Indonesia, Mr Ade Padmo Sarwono and his wife to grace the occasion.

The performances were outstanding and the costumes were incredibly stunning. The audience were treated to gamelan and a galore of Balinese dance and culture right smack in Perth! A big thank you to Pancer Langit Dance troupe and Indonesian Dance Studio Perth. We certainly hope to be able to bring more cultural events like this in future.
