

Sister School Projects Completed

Terima kasih from SD 4 Kaba-Kaba to the wonderful community of Aveley Primary School. Last year a few staff and parents paid a visit to our sister school in Bali. We collaboratively agreed to provide new toilets, books and shelves for our English Centre and fans for the classrooms. Hence, funds from our Lapathon were provided for the projects to proceed. We are happy to announce that the projects have now completed. Staff and students in SD 4 Kaba-Kaba are enjoying the facilities. Here are the photos of the completed projects.

The new toilets.

The book shelves in Aveley English Centre.

The fans in the classrooms.

A big thank you to everyone who made these meaningful projects a success. We hope in the near future, Aveley Primary School can continue to provide assistance to those in need.
