

WILTA & IALF (Reciprocal Teacher Visit) from Bali, 2019.

Our school was fortunate to be able to host Ibu Amel (Amalia Diana Sukowati) from Thursday 9/5/19 to Monday 13/5/19. The students had so much fun with the activities introduced by Ibu Amel. The Year 6 made 'Layang-layang' (kite) and had fun flying the kites when they were done. The Year 5 students enjoyed making 'Lumpia' (spring rolls) and thank you to Ibu Lisa Wild for helping out. Some staff had the privilege sampling some of the spring rolls too. The Year 4 learnt how to dance 'Poco-poco' which is a popular line dance in Indonesia. Since Mother's Day was around the corner, the students in Year 3 made 'Kartu Hari Ibu' (Mother's Day card). The Year 2 students had fun in dressing up in Indonesian Cultural Costumes and finally the Year 1 students played the Indonesian version of 'Rock, Paper, Scissors' called 'Gajah, Orang, Semut' and passing the lucky band using straws. I am happy that the students immersed themselves to develop a deeper understanding of other cultures, hence, learning to respect and appreciate the diversity of our neighbouring country, Indonesia.
